AVERAGE UNITS OF COFFEE CONSUMED PER DAY

*Based on a mid-week working day. Statistics taken over a period of 15 days.

PERSONAL STATEMENT

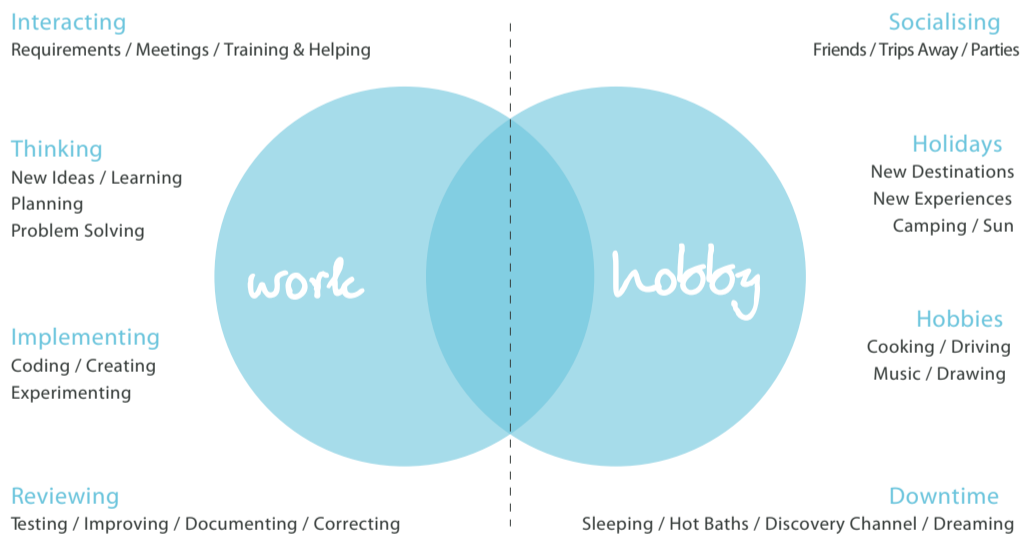

“ An all round web aficionado with 5 years of commercial experience who is always looking to work on exciting projects with exciting clients. Full of energy, experience, hard work and enthusiasm.

Sees technology as a way of facilitating and improving communication between users, understanding that people come before technology.

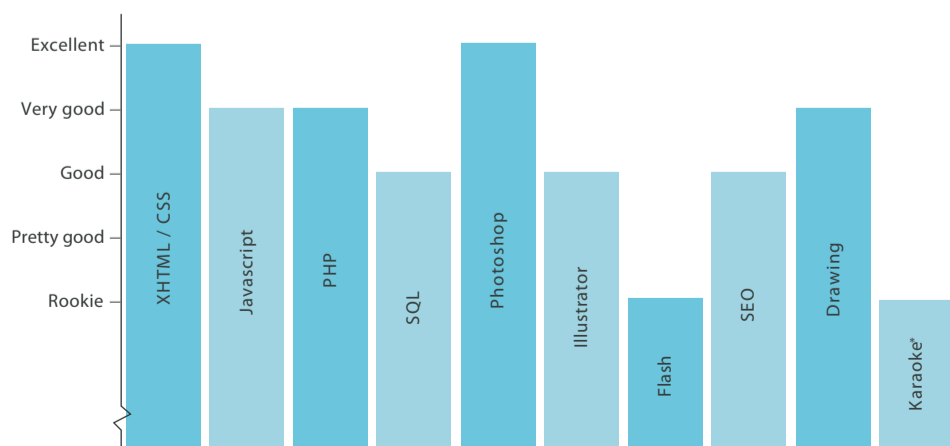

A whizz at XHTML, CSS, JS, PHP, MySQL, SEO, and more...

Expecting love, laughter, tears... and plenty of coffee. ”

MY LIFE AT A GLANCE

TECHNICAL SKILLS

*For effort alone

QUALIFICATIONS / EMPLOYMENT HISTORY

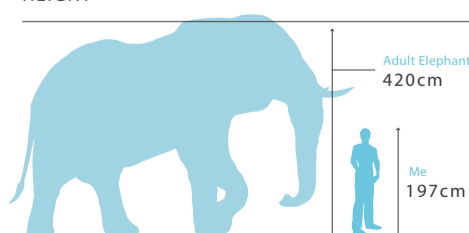

• Qualifications ○ Employment

- Born 25th April, 1981**
- 1999** Finished secondary education at St. Cyril and Methodius high school. Graduated with a profile in German and English languages. English language (fluent, TOEFL), German (fluent, DSH), Bulgarian (native).
- NOVEMBER 2003 - FEBRUARY 2006** **Audio Spirit Ltd. - Web Developer** Developed a few complex database systems and Internet applications using the PHP and an MySQL database. Designed and managed projects through full development and operation lifecycles for both internal and external clients, including customer support.
- MARCH 2006 - JANUARY 2007** **Preventa Ltd. - Business Development Manager** Preventa Ltd is a joint Bulgarian-French company, the exclusive representative of the French companies "SACLA" and "EUROPROTECTION" and authorized importer of personal protective equipment and protective clothing for Bulgaria. Worked independently to secure sales deals in the safety equipment line of business. Retained current business and developed new business contacts. Attained budgeted revenue goals through effective solicitations, promotions and services.
- FEBRUARY 2007 - JUNE 2007** **Freelance - Web Developer**
- JUNE 2007 - JANUARY 2009** **Viscomp Ltd. - Web Developer** Viscomp Ltd. was established in March 2007 in Plovdiv as a branch of the German company Euroweb Group with headquarters in Düsseldorf and offices in twenty-six cities across Europe. There I started off as a Proxy Manager, worked my way up to be a Web Developer. During my time working for Viscomp, I was engaged in developing a few of PHP/MySQL sites.
- JANUARY 2009 - AUGUST 2009** **Euroweb Ltd. - Web Developer** Under the umbrella brand Euroweb Group combines the company Euroweb Internet GmbH and Euroweb Marketing GmbH. Euroweb Internet GmbH is a leading full-service provider for small and medium enterprises in the field of web design. Most of the time spent there, I worked mainly as a Photoshop slicer, delivering, not only lots of Dreamweaver/PHP templates, but the tested and approved final product. The job involved hand-coding XHTML and CSS from scratch, with some custom PHP & Javascript. Took part in several online and print advertising campaigns.
- AUGUST 2009 - OCTOBER 2009** **PIC Media - Web Developer** PIC Media is an advertising agency, specializing in graphic design for online and print media, Web design, creating websites, update existing ones, creating banners and hosting. For the short period I've worked there, I've created several websites from start till finish. Only there I had the chance to meet the actual clients and get done what they actually needed.
- OCTOBER 2009 - PRESENT** **Freelance - Web Developer**
